

Chicago CF Awareness Day

November 19, 2005

<http://www.chicagocfawareness.org>

Dear CF Patient/family:

A warm hello to you and your family. This November, the CF Awareness Day will be celebrating its 25th year! We appreciate the many CF caregivers and coordinators who have come together for many years to plan this important event. We feel this is an exciting time to show the progress in CF over the last 25 years. Thus, in our morning plenary session this year, we plan to present a brief history of the CF Awareness Day and CF care/life in the Chicagoland area. We would like to include pictures and memories/stories from past Awareness Days, CF camp, CF Walk/fundraisers, treatments, etc. - from many years ago up to the present - and **we need your help**.

➤ Please send us pictures and/or stories that would help us highlight these aspects of our CF community. (They could be serious, humorous, informative, playful, celebratory, or in memory of a loved one with CF.) Contextual information should accompany the pictures: approximate date, event, and related stories/memories. If possible, please include a current picture along with an older picture (old therapy-related equipment contrasted to new equipment, baby picture contrasted to current teen/adult picture, etc.).

In order to use your pictures, however, we need your permission. Please sign the bottom of this letter giving us permission to include pictures of you or your child in the slide show, and include it with your pictures. (If you send digital pictures, please sign the permission and send it in to us by snail-mail.)

You can send your pictures and stories to either Maureen Garvey or Jeannine Cheatham (see their addresses below). All pictures in hard copy will be returned to you. Alternately, you can e-mail your digital pictures (and stories) to us via our Chicago CF Awareness Day website e-mail address: cacfa@chicagocfawareness.org.

After the 2005 Awareness Day, we hope to post many of these pictures and stories in a special history page on the CF Awareness Day website. If you would like us to include your submissions on the website, please check the appropriate box on the permission slip. If the box is not checked, we will assume that you are only submitting pictures/stories for the November 2005 Awareness Day presentation.

Thank you in advance for all your help. If you have any questions about the project, please contact Maureen Garvey at (708) 327- 9134.

We also extend an enthusiastic invitation for you and your family to join us this year. Check our website <http://chicagocfawareness.org> for updates and announcements about the Awareness Day.

Sincerely,

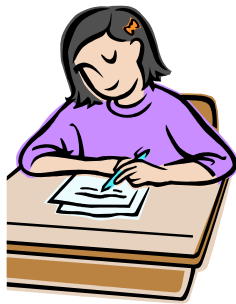

Chicago CF Awareness Day Planning Committee
